

# Wildwood Photography – Price List

Portraits are highly individualized for each client. From the planning session, clothing, location, portrait sizes, album and gifts – no two clients ever need or want exactly the same thing. For this reason we can tailor any of our standard packages to meet your needs and budget.

## Our Session Fee Includes

Your pre-portrait planning session, the actual session time, 60 day on-line digital gallery for reviewing your proofs and travel within the St. Louis metro area.

## Products Available

We have a wide variety of finishes for wall portraits. Paper, Canvas Galley Wraps, Metal Prints and a full line of Holiday Cards (Over 2000 products) available for purchase

**High Resolution Digital Negatives** are only offered with our Platinum Package. These are delivered on a USB thumb drive that contains the edited RAW and JPG file formats. Full Resolution Digital Images are available Ala Carte starting at \$50.

Web Resolution shareable are great for the Web and social media - these files will NOT produce print quality images. These images are watermarked with our Wildwood Photography logo. For an additional fee we will provide a package of web/social media shareable images - please contact us for details.

Our photos, albums and products are printed professionally by professional labs. Professional labs have strict quality and print control to meet our demanding standards. In order to deliver the highest quality product, we will only guarantee the quality of our printed products that are produced by our partner labs purchased through our website.

## **ON-LOCATION (60-90 MINUTES) PHOTO SESSION FEE \$179 (FAMILY, SENIOR, ENGAGEMENT and MATERNITY)**

- We use the same high quality equipment available in our studio for your on-location session. If you prefer to have your photos taken at your home, public park or private location we are able to deliver the same professional quality products that are typically only available in a photo studio session. We only use off-camera studio lighting in our location portraiture and high-resolution cameras during your session.
- We do not limit you to the number of outfits or locations within the venue. However, outfit changes will reduce our actual time taking photos during the session.
- Once the session is complete, your images will be uploaded to an On-Line Photo Gallery for your review. Your images will remain on-line for 90 days. The Gallery can be shared with friends or family. We promise to have your images available in the on-line gallery within 7 days of the session. Typically turn-around time for portraits is 1-3 days
- Additional Session time \$50/30 minutes

## **SPORTS/ACTION PORTRAIT PHOTO SESSION FEE \$250**

- Up to 2-hour portrait session, may be split between live action photos at the sports venue and posed shoots before or after the event. We do not limit the number of outfit changes or locations within the venue. However, outfit changes will reduce our actual time taking photos during the session.
